

NEW HOSPITAL PROJECT IS OPPOSED

SUPERVISORS' MEETING ATTENDED BY FRIENDS AND FOES OF PLAN TO AWARD AT PRESENT TIME CONTRACT FOR BUILDING.

The outstanding feature at Monday's meeting of the board of county supervisors was the discussion brought out by the proposed awarding of contracts for the building of the new county hospital. Word had gone out that the contracts would be awarded at this meeting, and opponents and proponents of the project had gathered from all over San Mateo county.

Mrs. Kate C. Wood, chairman of the County Social Service Commission; Mrs. Elsa McGinn, president of the San Mateo Woman's Club; Mrs. E. L. Woodard and Mrs. Catherine Bain, all spoke in favor of awarding the contract and getting the building under way as soon as possible. Each woman's talk bore strongly on the need of better facilities for the care of the county indigent sick than are available at the present county hospital. Endorsements for the immediate building of the hospital were also read from several county women's clubs.

P. B. Pendleton of the State Board of Charities and Corrections also spoke, urging the need of getting a better hospital in this county.

The opposition was represented by two speakers, Judge E. E. Cunningham of South San Francisco, representing the South San Francisco Chamber of Commerce and many independent opposers, and L. P. Behrens, president of the First National Bank of Redwood City. Judge Cunningham spoke with telling force on the saving in construction costs that has already been made by a delay of a few months since the project was first started, and urged a delay for a short time longer, stating that such postponement would undoubtedly result in further saving of a large sum for the taxpayers of the county. Judge Cunningham also pointed out that, while much has been said as to the cost of the building, little has been made public as to the cost of equipping and maintaining the institution, though these two items would undoubtedly run into large figures.

Mr. Behrens made a plea for the utilization of the funds collected for a new hospital at the establishment already maintained by the county. Mr. Behrens spoke of the crushing load of taxation already borne by taxpayers and urged economy by the board, stating that more water and better lighting facilities, two pressing needs, could be obtained at the present hospital by the expenditure of a small part of the cost of a new establishment.

During the discussion Chairman Thompson called for a written opinion from District Attorney Franklin Swart as to the legality of the board accepting bonds from bidding contractors in lieu of certified checks; whether the board could add an addenda to the original notice to bidders, and whether separate plans and specifications for construction must be furnished contractors for the roughing in and piping, on which separate bids were asked. Mr. Swart asked and was granted a week in which to prepare this written opinion.

Chairman Thompson then set Tuesday morning, June 14th, as the time for the awarding of the contracts. At this meeting, it is reported, organized opposition to the awarding of the contracts at the present time will be presented, such opposition coming from all parts of San Mateo county.

During the morning session Attorney Lee T. Ross presented a petition, signed by several property owners, for the abandonment of certain streets of the San Mateo Homestead Association Tract. Hearing on such abandonment was set for July 5th.

In the afternoon session a communication was received from the Masonic Cemetery Association for the establishment of a safety station on the highway by Woodlawn Cemetery. The county clerk was instructed to reply that the board had no jurisdiction in this matter.

SOUTHERN PACIFIC ASKS FOR REHEARING

Railroad Petitions Railroad Commission Alleging Order to Stop All Discrimination Illegal.

The famous "Switching Case," a controversy between the Southern Pacific Railroad Company and the South San Francisco Chamber of Commerce, continues to be one of the principal topics of interest in San Francisco and San Mateo county industrial circles. The latest development is that the railroad company has petitioned the Railroad Commission for a rehearing on its order to change its switching rates, which were deemed unfair and discriminatory against manufacturers of San Mateo county, favoring industries on the east side of the bay. This order allowed the railroad to establish the "zone system" at its request. Now the S. P. has found that the "zone system" does not work as it had hoped, and asks the matter be reopened.

The local Chamber of Commerce has made the following announcement, signed by Secretary H. E. Smith:

The Southern Pacific Company has petitioned the Railroad Commission of California for a rehearing in the South San Francisco switching case. The Railroad Commission, in its decision No. 8960, ordered the discrimination against South San Francisco removed, which should have been effective June 2, 1921.

The petition principally alleges that the commission's recent decision is predicated upon a mistake of law, that the decision and order is not supported by the evidence, and that the commission cannot support its decision and order. Also that the rate prescribed by the commission is so low as to be confiscatory. The latter allegation is stereotyped and the others are mere subtleties to still further delay granting South San Francisco the relief that both the Interstate and Intrastate Commissions have ordered. This action of the Southern Pacific is still further evidence of its attitude toward San Mateo county and is in contrast to the attitude of the Santa Fe and the Western Pacific at South San Francisco.

Our attorneys are now preparing an answer to the petition, and every effort will be made to effect a compliance with the recent order of the commission with as little delay as possible.

At the next regular meeting of the Chamber of Commerce the situation will be explained in detail. The various other Chambers of Commerce of San Mateo county are being asked to co-operate with us in this matter.

SO. S. F. RAILROAD COMPANY MAKES REPORT TO COMMISSION

The South San Francisco Railroad and Power Company has reported to the Railroad Commission that, for the year 1920, its operating revenue was \$45,236.04; operating expenses, \$36,821.02, giving a net operating revenue of \$8,415.02. Interest, rent, taxes, and other deductions totaled \$4726. The net corporate income for the year was \$3689.02. The surplus at the beginning of the year amounted to \$37,187.83. Miscellaneous deductions were \$3500. The accumulated surplus at the end of the year amounted to \$37,376.85.

A resolution by the County Federation of Women's Clubs, asking for a county ordinance prohibiting boxing exhibitions, was received, and the clerk was instructed to call the attention of the federation's members to the fact that such affairs are held within incorporated cities where the board has no jurisdiction.

Supervisor Thomas L. Hickey informed the board that D. O. Mills had stated his willingness to convey to the county a right of way through his property at Millbrae for the proposed new highway on the east side of the S. P. tracks.

On motion of Supervisor Francisco, District Attorney Swart was instructed to draw a new county ordinance limiting the weight of loads on trailers for county roads.

The board will meet again Monday morning, June 13th.

WOMAN'S CLUB HOLDS ANNUAL BREAKFAST

Pleasant Affair Marks Anniversary of Local Organization.

One of the pleasantest and most important events of the year for the Woman's Club of South San Francisco is always the annual breakfast held on the club's birthday anniversary. This year's breakfast, held at the Tearoom, Burlingame, was one of the most successful yet held, according to the opinions of the members of the club and their guests, some eighty persons in all.

Mrs. J. G. Walker, retiring president, was presented with a silver cake plate and a lovely floral offering as a token of appreciation from the club members for her successful service during the past year. Mrs. Nyland, secretary, was presented with a silver vase, and J. G. Walker, called the "power behind the throne," was the recipient of a handsome gold pencil. The presentation of this gift elicited much humorous comment and was roundly applauded.

The Van Valin trio rendered a number of pleasing selections during the afternoon. The South San Francisco Woman's Club expects to begin active work for a club house next fall. This organization is considered one of the leading lights for civic betterment in this city. The following program was featured immediately after the noon hour:

National Anthem.
Welcome, Mrs. J. G. Walker, president.

Remarks, Mrs. J. M. Vickerson, Mrs. J. L. McGinn, Mrs. Paul Biber.
Report Federation convention, Mrs. H. H. Hicks.

Group of songs, Mr. and Mrs. Bohannan.

Songs, J. G. Walker.
History of club, Mrs. W. J. Martin.
Club prophecy, Mrs. E. C. Peck.
Original poem, Mrs. Winterhalter.
Report of Federation committee, Mrs. J. G. Walker.

Introduction of officers.
Address by the new president, Mrs. Molony.

The following officers were installed: Mrs. E. H. Molony, president; Mrs. E. C. Peck, vice-president; Mrs. C. F. Schurk, recording secretary; Mrs. R. S. Irvine, corresponding secretary; Mrs. G. L. Maynard, treasurer.

The chairmen of the following departments and standing committees were announced: Departments—Music, Mrs. A. W. Clausen; drama, Miss Shaw; citizenship and legislation, Mrs. J. G. Walker; education, Mrs. A. Hynding; welfare, Mrs. W. Winterhalter; current events, Miss E. Coffinberry. Standing committees—Membership, Mrs. W. J. Martin; program, Mrs. E. P. Kauffmann; reception, Mrs. E. C. Peck; tearoom, Mrs. I. M. Dotson; decoration, Mrs. W. Winterhalter; press, Mrs. R. S. Irvine.

MAN KILLED BY LOG WHILE WORKING NEAR PESCADERO

The body of Nicholas Ottovitz was found Thursday of last week pinned under the end of a large log in a gulch near the Beadle Bros.' mill about eleven miles east of Pescadero, by a searching party sent out from the mill after Ottovitz had failed to return from his work in the woods the night before.

Ottovitz had been employed for about three months by Beadle Bros. as a sawyer and had been sawing logs into lengths ready to be taken into the mill. On Wednesday night he did not return to the boarding house as usual and a searching party was organized. When found, Ottovitz's chest was crushed by the heavy log, and he had evidently been instantly killed. From reports made to Coroner Brooke, it would appear that the man had been sawing a log which had fallen across the gulch, and when the cut was completed he was knocked down by the log falling and caught under its end as it struck the bottom of the gulch.

Ottovitz was about 52 years of age, and came to the mill from San Francisco. In his pocket was found a card showing that he had formerly been employed by the Northwestern Pacific railroad as a carpenter's helper, and a card containing the name of Leslie Pease with the address Golden Gate Hotel, San Francisco. An effort is being made to locate his relatives or friends through Pease.

AUTO PLUNGES OVER HIGH EMBANKMENT

Five Injured in Triple Collision on Bay Shore Road Sunday.

Five persons were injured, one seriously, in a triple auto crash on the Bay Shore road in the hills north of South San Francisco Sunday. One car plunged over a high embankment.

Albert Leonard, 449 Turk street, with Andrew J. McCormick, 475 Turk street, as a passenger, collided with a machine driven by Abraham Cohen, 363 Page street. The force of the collision drove Cohen's car into one behind him, driven by Domingo Buelne, 277 Duboce avenue. Buelne's car was shoved over a 200-foot embankment by the force of the collision. In Buelne's car were Frank Myrick and Mrs. Myrick, their baby daughter, Miss Hunt and Miss Wise.

Leonard was arrested on a charge of reckless driving. The injured were treated at the Mission Emergency Hospital.

JUDGE JOHNSON RULES THAT COURSEING IS NOT CRUEL

Judge Ellis C. Johnson of Daly City is of the opinion that courseing or the chasing and killing of live rabbits by hounds is not a cruel sport. This opinion was brought out Monday when Judge Johnson dismissed the case of Dr. Matthew McCurrie against Jack Dennis of Colma, head of the San Mateo County Coursing Club, which holds coursing matches at San Bruno each Sunday.

Judge Johnson stated that he had himself been present last Sunday at the coursing park, and that he could see no cruelty in the killing of a hare by hounds, the basis of the charge of cruelty. Witnesses included officers of the Society for the Prevention of Cruelty to Animals.

MANY SAN MATEO SCOTS SEE GREAT SPECTACLE IN S. F.

Two hundred and fifty San Mateo county members of the Ancient Egyptian Order of Scots attended the brilliant ceremonial staged by San Francisco Pyramid No. 1 at the Civic Auditorium, San Francisco, last Saturday evening.

The great hall was beautifully decorated for the occasion. The program opened with a spectacular pageant, entitled "A Night in Fairyland," produced under the direction of Scot Karl Eber, assisted by Scots George Bocarde and John Wishart. Over 300 persons took part in the great spectacle, including nearly 200 children in ballets and fancy dances directed by the Wyatt sisters. All the well-known characters of Mother Goose and nursery tales were presented. Many vocal numbers by prominent artists were also included.

Following the program the initiation of 400 Master Masons into the order was held, and occupied two hilarious hours.

The evening closed with the serving of refreshments to the 3000 members of the order who had assembled from all over the bay region and from as far south as Modesto.

TWENTY-FOUR GET FIRST DEG. ORDER OF KTS. OF COLUMBUS

Several members of the Knights of Columbus from this city attended a meeting at San Mateo Monday evening, when twenty-four candidates received the first degree of the order. Of the twenty-four, fourteen were students from Stanford. Leroy Mason of this city was one of the novices.

LEGION POST GIVES SOCIAL WITH MEMBERS IN UNIFORM

Bernard McCaffery Post of the American Legion, in conjunction with the Ladies' Auxiliary, gave its most enjoyable social of the year last Friday night in Guild Hall. Veterans of the world war once again exhibited overseas chevrons and recalled scenes of service that still thrill and inspire after almost three years of civilian life. It was the first affair of its kind given by Bernard McCaffery Post with members in uniform. It was a time for merriment that every one took advantage of. Fagundes' orchestra, members of the Legion, provided the music.

CITY TRUSTEES MEET IN REGULAR SESSION

Application for Soft Drink License Received; Officers' Reports Read; Ord. Given Second Reading.

Another application for a license to sell soft drinks in this city was received at Monday night's meeting of the board of city trustees. The application was signed by V. B. Nicoletti. Nicoletti wants to open a poolroom and soft drink emporium at 228 Grand avenue. Consideration of the application was laid over to a later meeting. In the meantime the matter was referred to the city marshal to find out something about the man making the application.

The matter of securing a city and school nurse to take the place of Miss Cora Rackle, who until recently filled the position in this city, received a definite setback when Dr. McGovern, city health officer, reported that the Miss Johnson who recently applied for the place had secured employment elsewhere.

Reports of city officers, including clerk, treasurer, recorder, fire chief, marshal and health officer, were received and ordered filed.

A communication was received from the board of school trustees thanking the city fathers for their assistance in fitting up the athletic park at the high school.

City ordinance No. 111, prohibiting the running at large of livestock and fixing the fees the poundmaster may charge for taking up loose animals, was given its second reading.

A number of bills against the city for current expenses were audited and ordered paid as approved.

SEILER, DRIVER OF DEATH CAR, SENTENCED TO SAN QUENTIN

A. V. Seiler, convicted by a jury of manslaughter as the result of the death of H. R. Doty of San Francisco in an auto crash near Cypress Lawn Cemetery on April 22d, has been sentenced to serve an indeterminate term in San Quentin by Superior Judge George H. Buck. A notice of appeal was given, a writ of possible cause issued, and Seiler was given his liberty on \$3000 bail, pending the appeal.

Seiler's big Sedan crashed into an automobile belonging to M. A. Lyons of 444 Fourth avenue, San Francisco, throwing the Lyons car into the car driven by Doty and causing it to be over turned. Doty was killed and his mother was seriously injured. It was claimed that Seiler was intoxicated and was driving in a reckless manner. Conflicting testimony was offered at the trial, but the jury returned a verdict of guilty of manslaughter. An application for probation was denied.

HIGH SCHOOL BOYS PRESENT FOUR FINE HATRACKS TO CITY

The students of the manual training department of the high school have made a present to the city of four fine hatracks, which have been distributed to and are now on display at different rooms at the city hall. The present was made as a token of appreciation for the assistance of the city which made the fine new baseball ground at high school possible. The racks are excellent pieces of work. They are made of hardwood with brass hat hooks and are decorated with square brass studs. Each is evidence of the good work done in the manual training department under the instruction of A. C. Kleemeyer.

WOMAN GUN WIELDER IS COMMITTED TO STATE ASYLUM

Miss Honora Sullivan, who threatened Undersheriff Lampkin and Deputy Sheriff McGovern with a revolver when evicted from her home at 912 Linden avenue May 29th on a court order, was ordered committed to the state hospital for the insane Friday. The examining physicians were Drs. Ross and Chapin. Following the finding of the woman insane, a charge of assault with a deadly weapon which had been placed against her was dismissed. Miss Sullivan occupied a house belonging to Mrs. M. F. Healy. The eviction grew out of the woman's refusal to pay rent declaring that she had rented the house from the late M. F. Healy and that she would pay the money to nobody else.

ELECTRIZING OF S. P. POSSIBLE SAY R. R. MEN

STATE ELECTRIC EQUIPMENT MAY BE GRANTED IF S. P. IS GIVEN EVEN CHANCE WITH MOTOR TRANSPORTATION.

The installation of electric equipment on the Southern Pacific's main line down the peninsula from San Francisco, an improvement greatly desired by residents of all the cities between San Francisco and San Jose, may be realized, according to several officials of the railroad company. The railroad men made this statement at a meeting held Tuesday night by the newly organized Chamber of Commerce of Menlo Park. This Chamber includes the cities of Menlo Park, Rungnede, Atherton, and North Palo Alto. The railroad officials qualified their remarks by stating that such an improvement would be possible only provided the S. P. was given an equal chance with the auto freight and transportation companies.

The speakers of the railroad company included H. E. Kelly of the executive department; E. Shillingsburg, district freight and passenger agent, and Chief Engineer E. C. Morrison. The gist of their talks appeared in the following words of Mr. Shillingsburg:

"When the county highways are used by private transportation companies, who do not have to keep up their right of way, is it not unfair to expect the Southern Pacific railroad to give you the service that you ask for and are entitled to? The biggest problem that President Harding has to deal with is the transportation situation. How can the railroads continue in the face of the competition from the auto and stage lines, operating on publicly owned and maintained highways with practically no taxation? Seventy cents out of every dollar we make goes for taxes."

Mr. Morrison stated that last Sunday the Southern Pacific's official tally of automobiles using the highway at Beresford was one car every four seconds. Morrison asked the Chamber of Commerce to go on record against the erection of a drawbridge on the Bay Shore cutoff, stating that trains would be delayed nineteen minutes every time the bridge was removed for ships and barges.

LOWER GAS RATES MAY RESULT FROM CHEAPENED CRUDE OIL

Rates for gas adjustable to the market price of crude oil may result from the hearing of the Pacific Gas and Electric Company before the Railroad Commission Tuesday. Representatives of the company and attorneys of the northern California municipalities present at the hearing accepted the principle of such adjustment, which was suggested by President H. W. Brundage of the commission, but disagreed as to when it should be put into effect. The case was then taken under advisement.

The reopening of the rate case was for the specific purpose of determining the effect of the recent reduction of 25 cents a barrel in the price of oil upon the cost of manufacturing gas. The Pacific Gas and Electric Company admitted that the decrease in oil cost will mean a saving for the company of \$350,000 for the remainder of the present year if the present oil price continues.

VERONI GETS WARNING.

Antonio Veroni was up before Judge E. E. Cunningham in the city recorder's court Tuesday morning on the complaint of Felicitia Cassaba, the charge being battery. Mrs. Cassaba is a tenant of Veroni, and claimed that he struck her during an altercation. Veroni, who is an elderly man, has been in trouble with his neighbors several times, and Judge Cunningham warned the man's son, who accompanied him into court, that though he let him off this time, the next time he came up on such a charge he would send him to jail.

Ray Spangler Editor

EDITORIAL

Four years ago student body meetings were about 75 per cent more interesting and lively than they are now. The last few student body sessions have closely resembled Quaker prayer meetings—everybody waiting for an inspiration to come along and urge them to rise and second a motion. Discussion is a thing unheard of. To pass a motion, all that is necessary is to make it and have it seconded. When the motion is put, the sleepy assem-

bly will partially come out of the general stupor and weakly proclaim "aye." Never any opposition. It used to be that each class, at the end of the year, would frame a ticket for the student body elections, and nomination meetings were one name right after another. Now:

"Nominations now open for president."

Elapse a half hour of propound silence. Finally, "I nominate so and so."

Then some poor boob gets up, who thinks he's making a hit, but doesn't know enough parliamentary law to realize his error:

"I second the nomination."

One nomination per office is enough to tar the energies of all, so some daredevil, after another quarter hour, moves that the nominations be closed.

It seems hard for the lower classes to realize that the welfare of the student body affects them personally; that it is advantageous to them to have a class member in office, but the light will appear some day and enlighten them we hope.

HIGH SCHOOL INTELLIGENCE.

Ikey saw a nickel in a crack in the sidewalk, ran and got the crowbar, and, after an hour's unsuccessful prying:

"Holy Moses, but money is tight."

Papa—Reese, I am told that you had a wild party in this house; broke two windows, tore up the floor, smashed the lights, and ruined the carpets. Is this true?

Reese—That wasn't any party—she was just trying to show me how to dance!

Fool di rool—fool di rool.
We are the girls from normal school.
We chew no gum, we do not dance,
Those things our dignity enhance.

NOMINATIONS FOR STUDENT BODY OFFICES

At a meeting of the student body last Friday, the following were nominated for office: President, Haydn McMills; vice-president, Marguerite Klessling; Elmer Vaccari; secretary, Grace Robinson; treasurer, Rosalind Gsell; editor of Blue and White, Grace Robinson, James Diggles, Edna Broner.

STUDENT BODY TO GIVE SENIOR BALL

At a regular meeting of the student body Monday, June 6th, it was voted to take complete charge of the senior ball, and the junior and sophomore classes were appointed a committee to arrange for the ball. This action is a direct result of the heavy debt left on the student body by last year's graduating class. At the meeting it was brought out that, since the Iris represents the school all over the state, all the funds derived from advertisers and from the sale of the book should go into the book. Mr. Adams awarded the blocks to the basket-ball team, who were voted blocks a month ago.

ANNOUNCEMENT.

The Iris staff will award \$5 to the class which sells the largest number of annuals, and to the individual selling the most will be awarded \$2.50.

Get behind this sale and make the 1921 a financial success and thereby help the school.

R. REESE LLOYD,
Business Manager.

SAN MATEO VOTERS TO SHOW WHETHER BOXING IS WANTED

The question of whether boxing exhibitions shall be permitted in San Mateo will come before the voters of that city soon. The matter was brought to a head at a meeting of the San Mateo city trustees Monday night, when protests against such exhibitions were received from the San Mateo County Federation of Women's Clubs, the Ladies' Aid Society, and the Rev. W. S. Matthews, pastor of the local Methodist church. The trustees decided to submit the question to the voters at a city election to be held soon.

BRILLIANT FUNCTION HELD FOR BLESSING OF STATUE

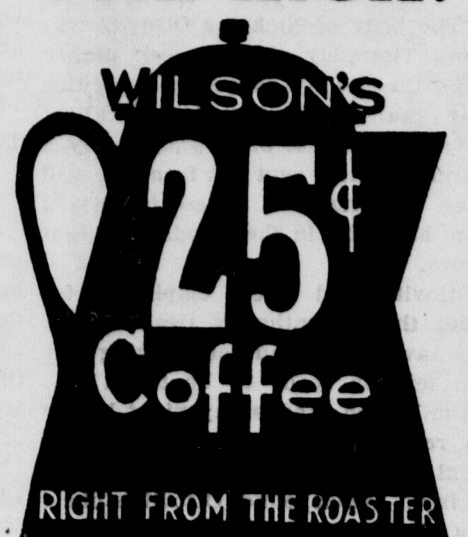

South San Francisco was the scene Sunday of a celebration participated in by several hundred natives of the island of St. Michael in the Azores. The blessing of the statue of Santo Cristo, presented to All Souls' Church by the Portuguese, was the central event of the affair. Delegations were present from Oakland, San Leandro, and Santa Clara, and a brilliant parade was held through the business part of town from Fraternal Hall to the church. Two bands and several marching bodies in uniform took part in the parade.

Father Antonio, a Portuguese priest from San Leandro, was in charge of a 9 o'clock mass at the church, and at 10 o'clock a solemn high mass was held in charge of Rev. J. P. Moran, pastor of All Souls' Church. At this latter mass the great church was crowded to its capacity, about 150 persons standing up for lack of seats. In the afternoon a dance was held at Fraternal Hall, refreshments being served.

It is planned to hold a celebration here annually on this date.

There is a time for everything except giving advice that nobody wants.

NORTH END PROGRESS GIVEN LEGAL STATUS BY COURT

The North End Progress, published weekly at Daly City, has been declared a newspaper of general circulation according to the political code of the state of California. A court decree to that effect was made Saturday by Judge George H. Buck in the superior court at Redwood City on the petition of the owner and publisher, Robert Speed.

This court order, given at the end of the paper's first year of publication, establishes the North End Progress on a footing that enables it to publish all "legal" advertising, as such publications, which include matters pertaining to court proceedings, as well as bank statements, etc., can under the law be published only in newspapers established one year.

NEW SUPREME COURT JUDGE RESIDENT OF SAN MATEO CO.

Charles A. Shurtleff, a resident of Menlo Park and a well-known lawyer throughout California, has been appointed associate justice of the state supreme court by Governor William D. Stephens, to succeed Judge Warren Olney Jr., resigned.

In making the appointment, Governor Stephens followed the recommendation of Olney, who asked the governor to name Shurtleff.

As president of the Legal Aid, Shurtleff has devoted much of his time and energy to helping young attorneys, and this work has for several years been his hobby. He is a member of the Board of Bar Examiners and is a trustee of the San Francisco Law Library.

He has made his home at Menlo Park for several years, and is a great booster for San Mateo.

DALY CITY WOMAN ASKS DIVORCE BUT HUSBAND GETS THE DECREE

Emma Voss of Daly City sued for divorce from Rene Voss, charging extreme cruelty, but when the testimony was all presented Superior Judge George H. Buck decided that the tables should be turned and awarded the decree to the husband. The custody of the minor child, Marie, was given to the mother, and the son, Frank, to the father, and the court ordered that the community property should be sold and the proceeds divided. Franklin Swart appeared for the husband and John F. Groene for the wife.

Kept Something On.

"Was that your model going out as I came in?" asked the visitor to the studio of a painter friend.

"Yes; and a very good model she is," was the artist's reply.

"Does she ever pose in the nude?"

"No; she never takes off her diamond rings."—Yonkers Statesman.

PRACTICAL RECIPES

POTATO CRUST WELL LIKED FOR USE IN MEAT PIES

Some of the war-time wheat-saving dishes have proved better than the foods for which they were substituted. Potato crust for meat pie, for instance, as tested in the experimental kitchen of the United States Department of Agriculture, is declared by many persons to be better than the ordinary pastry.

- 1 cup hot riced potato.
- 1/2 cup shortening.
- 1-3 cup milk.
- 2 cups flour.
- 2 teaspoons baking powder.
- 1 teaspoon salt.
- 1/4 cup flour to roll out.

To the hot riced potato add the shortening and the milk. Sift in the dry ingredients and mix well. Roll the crust to the desired thickness, line the inside rim of the baking dish with it, pour in the filling of meat and vegetables, and cover the dish with the crust. This amount will be sufficient to cover a 10-inch casserole.

Potato Thistle

Line a dish around the sides with mashed potatoes prepared as for the table, then fill with minced lamb, veal, or any other left-over meat, well seasoned, and cover the top with mashed potatoes and crisscross with a knife. Put in oven and brown.

This is an economical way of using up left-over meat and potatoes. Creamed codfish or creamed smoked fish, or, for a change, chipped dried beef, with the potatoes are also good combinations.

BAKED VEGETABLE OMELETS GOOD TO SERVE IN SPRING

A baked vegetable omelet or soufflé is a good way to combine eggs and vegetables. If made with the green shelled peas, beans, soy beans, or cowpeas, it may be served in place of meat. The following general recipe for making these appetizing spring dishes is given by food specialists in the United States Department of Agriculture.

A thick sauce made with one-fourth cup fat, one-fourth cup flour, and one cup liquid, which may be milk (whole or skim), cream, meat stock, or the water in which vegetables have been cooked.

One cup thick vegetable pulp made by draining cooked vegetables and then mashing them or putting them through a sieve.

Three eggs, the whites and yolks beaten separately.

Flavoring: Salt, pepper, onion juice, and any one of the following may be

used: Very finely chopped parsley, chives or ham, or one-eighth teaspoon curry powder. Bacon used in making the sauce gives a good flavor.

Mix the vegetable pulp, seasoning, sauce, and well-beaten egg yolks. Carefully fold in the well-beaten whites of the eggs, put into a buttered baking dish, and bake in a slow oven until firm.

The amount of vegetables in this dish may be increased by serving vegetables around the soufflé.

EAT PLENTY OF FRUIT IF YOU WOULD KEEP WELL

Fruit is food. It supplies some sugar and the important mineral matters, mild fruit acids, and vitamins, say experts in the United States Department of Agriculture, Office of Home Economics. These food substances help to keep the body in good health and to prevent constipation.

Use fresh fruit whenever possible and can the surplus. Apples, pears, plums, peaches, cherries, oranges, grapefruit, grapes, bananas, avocados, berries—the list is very long. Somewhere in the United States some of them are always in season, and some are in market everywhere much of the time.

Use dried fruits, either home dried or those on sale almost everywhere. Soak prunes, dried apples, dried apricots in water overnight and cook them long enough to make them tender.

Use dates, figs or raisins. These are very good added to breakfast cereals ten minutes before taking from the stove.

SATURDAY CHOSEN AS DAY FOR EATING CALIFORNIA RICE

Unique plans for the celebration and commemoration of California Rice Day Saturday are being made in various parts of the state. To campaign headquarters in San Francisco have come reports from various parts of the state, particularly the Sacramento valley, the center of the industry, giving assurances of lively and enthusiastic co-operation to make this new California food products day stand out on the calendar.

This week's crop of June brides and bridegrooms, according to the seer of the campaign, will have good luck down the years if they are showered with California rice. Campaign headquarters calls the attention of prospective wedding guests to this important fact, stipulating, however, that purchases of California rice for such purposes shall not be in lieu of acquiring the standard quota—five pounds per capita—for consumption through "customary channels."

If the California Rice Day campaign succeeds in hammering home the dietetic truth that rice deserves primary place as a vegetable, it will have achieved much for a great California industry.

Pay day should be "hay" day, but oftener it is merely a gay day.

Just because people can call you a "live wire" doesn't give you a license to sputter.

You don't have to be a millionaire to be happy, but don't imagine that because somebody is a millionaire he is unhappy.

About the only man who overworks is one who overworks his friends.

So you think you are popular? Then try to borrow a hundred dollars without security, or run for an office without an organization.

"Misery loves company," but "company" doesn't love misery.

Are Your Valuable Papers Safe?

If you want to KNOW that your bonds, mortgages, stock certificates, insurance policies, etc., are safe, give them the protection of a safe deposit box in our vaults. Nothing can happen to them there and your peace of mind regarding them will be worth more to you than the small annual rental charge for a box.

THE NEW COUNTY HOSPITAL

"Make haste slowly." Old and trite as that advice is, The Enterprise offers it to the supervisors of San Mateo county in one of the most important matters now before them—the building of a new county hospital. Make haste slowly, gentlemen, and you will, no doubt, make haste profitably.

Monday's meeting of the board, an account of which appears in another column of today's issue, showed plainly that there is determined opposition to the building of the hospital at this time.

The keynote of the address made Monday by opponents of the measure was that a short delay in starting work on the building would, no doubt, mean a great saving to the taxpayers of the county. In that opinion this newspaper concurs. It is reliably reported that the delay of several months that has taken place since the project of building a new hospital was started has already saved some \$80,000 in lowered building cost. What the saving might be in another delay of a year or even six months we can only conjecture, but common sense tells us it would be large, perhaps more than the \$80,000 already saved. At present the building industry is in turmoil. What the outcome will be no man can tell definitely, but one thing is sure, building costs one year from now will be much lower than they are at present.

It was brought out at Monday's meeting that there is need of a new hospital. Granting this, is there such need that property owners, already staggering under a load of taxes that is almost confiscatory, should be called upon to pay \$70,000 or perhaps \$100,000 more than is necessary for the erecting and equipping of a new building?

Figures were introduced to show that San Mateo county is at present paying from \$200 to \$300 a month to have patients taken care of in other places because of lack of room and facilities at the present county hospital. Granted that these figures are correct, they nevertheless fade into insignificance beside those that represent the probable saving to the county in a short delay in putting up a new building and furnishing it.

Then there is the item of maintenance that was scarcely touched upon. Those at the meeting were told that some \$240,000 was already collected and in the fund for building the structure. According to the best figures yet received from contractors, the building will cost approximately \$200,000 at the present time, with an additional \$45,000 for heating. Nothing is left for equipment, nothing for maintenance. No building from a three-room cottage up was ever built without costing more than the original estimate. Often the figures for "extras" amount to 25 per cent of the original cost. It can readily be seen that the funds at present available are far below what will be required to finance the project if put through now.

Here is the crux of the matter as this paper sees it: The saving that will be accomplished in a few months' delay in letting the contract for the building without doubt pay the cost of equipment—a matter of some \$40,000—as well as the cost of maintenance for a long time. Is such a saving worth while? A majority of the taxpayers will certainly say it is if given a voice in the matter.

\$20,000 DAMAGES ASKED FOR DEATH OF RICHARD WALLACE

Damages in the sum of \$20,000 for the death of R. L. Wallace who was killed by a street car in this city June 9, 1920, are asked in a suit filed against the South San Francisco Railroad and Power Company in the superior court Tuesday. Adeline Leeds, administratrix of Wallace's estate, is plaintiff in the action. J. J. Bullock is attorney for Mrs. Leeds.

Wallace was killed at a late hour at night as he was walking along the railroad track on Swift avenue toward his home at the Veranda Hotel. The complaint alleges that the road was torn up and that pedestrians were compelled to walk on the roadbed of the railroad and that the car was operated carelessly and negligently.

Wallace was a brother of Constable James Wallace and Sam Wallace, both of this city.

NOTICE OF SHERIFF'S SALE.

By virtue of an execution, issued out of the Superior Court of the County of San Mateo, State of California, and dated the 13th day of May, A. D. 1921, in an action in which the Plaintiff, Ray B. Lyon, on the 13th day of May, A. D. 1921, recovered judgment against E. H. Werder, Defendant, for one thousand eight hundred and thirty-one dollars and sixty-one cents (\$1831.61), of the United States of America, and costs of suit, I have levied upon property described as follows, to-wit:

An undivided one-half (1/2) interest of, in and to all those certain lots, pieces or parcels of land situate, lying and being in the County of San Mateo, State of California, bounded and described as follows, to-wit:

Lots 10 and 11, in Block numbered 138, as shown on the Map of South San Francisco, Flat No. 1, filed in the office of the County Recorder of the County of San Mateo, in Redwood City, California, and recorded March 1, 1882, in Map Book No. 2, page 52, of the records of said County.

Notice is hereby given, that on Monday, the 20th day of June, A. D. 1921, at 10 o'clock a. m., in front of the County Court House, in the Town of Redwood City, in the County of San Mateo, State of California, I will sell all the right, title and interest of said E. H. Werder in and to the above described property at public auction, for cash in gold coin of the United States, to the highest and best bidder, to satisfy said Execution and all costs.

Dated at Redwood City, this 21st day of May, A. D. 1921.

M. SHEEHAN, Sheriff of the County of San Mateo, Cal.

A. KINCAID, Attorney for Plaintiff.

SAN BRUNO LOCALS

The Yeomen's recent "Jamboree," after paying all expenses, cleared between \$90 and \$100.

Mrs. Phil Clark of Fourth Addition is getting on nicely and will be out again within a few days.

Mrs. Nightengale of Fourth Addition has been seriously ill for the past few days. We sincerely hope to hear of a decided improvement soon.

Bob Liddle has returned home after a month spent on his ranch in Nevada county. He reports the fruit crop outlook in that section as very good indeed.

Several new buildings are at present in course of erection in this city, with general about to be commenced as soon as conditions become more favorable in building circles.

Street Superintendent George A. Kneese was in town Wednesday with his staff for the purpose of posting notices of street improvement. This is in connection with the proposed macadamizing of the streets.

The intended reopening of the gas case will be followed with considerable interest by local citizens, and will come up for hearing with as little delay as possible. Meanwhile the increased rates have been suspended.

Mrs. Mueller, Holliday, Brose, Wierney and Ruzic have been appointed a special committee by Foreman Phil Clark of the local homestead, Yeomen of America, to arrange for the observance of Memorial Day in that organization on the 19th of this month.

City Marshal Gaudette is rigidly enforcing the speed laws, and may be found all day Sunday regulating traffic as it passes through this city, his station being at the intersection of the state and county highways, immediately in front of Uncle Tom's Cabin.

Tuesday night our streets were plunged into Stygian darkness about 8:30 o'clock, and remained in that condition all night. The strong wind prevailing at the time must be blamed for the occurrence, not the P. G. and E. Company.

Homestead No. 910 of the Yeomen of America will give a moonlight picnic the night of June 18th. Beresford has been selected as the place where it shall be held. On that evening conveyances will leave from outside California Hall at 7:30 sharp.

William Maher, accompanied by Miss Mary Reid, last Sunday went down to Monterey with Mr. Maher's uncle and aunt, Mr. and Mrs. W. H. White of San Jose. They report having had a most delightful trip.

Ode Osborne met with a painful fall during the past week, which seriously injured his arm and right leg. It appears that, while alighting from his motor car, he in some manner tripped and fell. Friends who were with him state he was rendered helpless for some minutes.

FATAL ACCIDENT.

Monday Victor Gazzallo, while pursuing his ordinary avocation at the Potrero plant of the Pacific Gas and Electric Company, met with fatal injuries, from which he died the following day.

COMMENCEMENT EXERCISES.

Next Wednesday evening at 8 o'clock at California Hall the commencement exercises of the Edgemont school will take place, invitations for which event have already been sent out. The affair will undoubtedly prove of great interest to parents, teachers and scholars alike, and a large gathering is assured.

DADDIES' CLUB INCORPORATED.

San Bruno has the distinction of having formed the first "Daddies' Club," which is promised by its founders to become one of the largest and strongest social organizations in the county. The papers of incorporation were filed by Attorney J. F. Davis this week in the office of County Clerk Elizabeth M. Nash at Redwood City. The following list of applicants appear as charter members: A. S. W. Grundy, George Edwards J. T. O'Connor, and S. Lombardi.

STAGE CO. OFFICIALS AT BOARD MEETING

Director and Manager State Hearing on Rates Was Well Advertised.

Wednesday evening the city trustees met for their regular meeting, a full board being present. Much routine work was gone through, but little of real interest was taken up.

After the minutes of the previous meeting had been read and approved, Mr. Regan, director of the Peninsula Rapid Transit Company, and Mr. Duffy, general manager, were given a hearing relative to the recent raise of fares in this territory. Mr. Duffy apologized for the absence of the president of the company, Mayor Pearson of Burlingame, who is confined to his home by illness. Mayor Grundy set forth San Bruno's side of the matter, stating that residents here objected to the matter having been brought before the Railroad Commission without their being given an opportunity to protest, as they certainly would have done. The P. R. T.'s representatives succeeded in convincing the board that their company was in no manner to blame for San Bruno's failure to receive notice, as it had complied with instructions of the commission, had advertised the matter in the San Francisco Examiner and one of the San Jose papers, and had displayed cards in all its buses notifying the public of the hearing. The matter was disposed of by the P. R. T. officials being informed that the city of San Bruno would seek to have the case reopened before the Railroad Commission.

City Attorney Davis notified the board that he, with Attorney M. Kirkbride, would contest the application of the Moody estate for the building of a drawbridge at Seventh and Channel streets, San Francisco, as such bridge would seriously hamper rapid transit out of San Francisco and down the peninsula.

Permits were granted to build a garage in First Addition and for a residence in Third Addition.

A. A. Lo Reaux was granted permission to take sand and gravel from the creek in Bele Air.

The large hole in the creek near the Edgemont school was ordered pumped out, as in its present condition, filled with water, it is a menace to the lives of the children.

The city clerk was requested to send an urgent letter to the State Highway Commission, calling attention to the dangerous condition of three bridges along the state highway, and requesting them to widen these and build a bridge across them, and also to call attention to the fatal accident which took place some time ago owing to the bridge being narrower than the road.

A resolution was passed ordering the commissioner of public works to have the weeds removed on San Bruno and San Mateo avenues, also to have the thistles removed where they are a serious inconvenience to those using the sidewalks.

The city attorney notified the board that, following instructions, he had written to August Lund, requesting him to turn over to the city the maps belonging to the city showing sewer laterals, but so far had received no reply.

The city clerk was asked to draft a letter to the county supervisors asking them to see that the county highway was kept in repair.

The underpinning of all of the city's water tanks was ordered placed in proper repair.

A bill for \$944 having been sent in by the United Railroads for the installation of a wigwag signal at Angus avenue, the city clerk was instructed to write the company and disclaim any responsibility for the cost of the signal, as this work was not authorized by the city.

TO PROTEST DRAWBRIDGE ON CHANNEL STREET IN S. F.

It is announced that the city attorneys of San Mateo, Burlingame, and San Bruno will, on behalf of their several municipalities, protest the application of the Moody estate for permission to construct a drawbridge across Channel street in San Francisco. It will be represented that such a bridge would work a real hardship on all people living on the peninsula and wishing to transact business in San Francisco, as it would cause serious delays in traffic. It is felt that all possibility of transportation delays should be lessened if people are to be induced to make their homes in this region.

(Additional San Bruno News on page 7, column 1.)

COLMA LOCALS

Miss Elvera Rosaia of Palo Alto was a visitor here during the holidays.

Miss Irene Wight of San Francisco was visiting her friends here during the week.

Mr. and Mrs. Harvey Skirvin were guests of Mr. and Mrs. A. Van Reenen Sunday.

Mr. and Mrs. William Yahn of San Francisco have been visiting relatives and friends here.

Mr. and Mrs. James T. Casey have returned from a several days' visit to Gilroy Hot Springs.

John Kreimer, who has been quite ill for some time past, is now in a much improved condition.

Sunday found many of our local folks motoring to the beaches, Congress Springs, and Alum Rock.

Mrs. Milton Ottioli of Richmond district called upon her chum, Mrs. Leon Fellman Jr., here Sunday.

Mr. and Mrs. Emmet Harrison of San Francisco visited Monday Mr. and Mrs. Thomas Harrison at their home on Briggs street.

Quite a number of Colma folks attended the train ride and picnic given by the W. P. Fuller employees Sunday at Pinehurst.

The Dunkle family have moved from the old Andereggen home to the Onita home, which was recently purchased from Mr. Ives.

After being away on a four months' trip, Albert Sturla returned from the northern states to his home on Werner avenue during the past week.

Mr. and Mrs. Henry Werle and their little nephew, Walter Niesser, are spending their vacation at Vacation on the Russian river, near Guerneville, Calif.

After spending the winter months at Sawtelle, near Los Angeles, Herbert Dietrich, well known among Colma's younger set, returned to Palo Alto last week.

Sunday, June 12th, is the big day for Court Colma No. 83, Foresters of America, which is holding its annual picnic at Lovchen Garden. Amusements of all kinds will keep both young and old well entertained.

Mr. and Mrs. J. H. MacDonald of Burlingame attended the whist party given by the Ladies' Home Club Saturday night, and remained over until Sunday as the guests of Mr. and Mrs. Van Reenen.

On Wednesday and Thursday last the Western Drug Clerks' Club held its annual two-day convention at the Hotel St. Francis. Miss Violet VerLinden, representing Colma Pharmacy, reported a most interesting and pleasant time.

The many school friends of Miss Edith Spellman of San Francisco, formerly of Colma, will be glad to hear that on May 31st Miss Spellman successfully completed her high school course at the College of Notre Dame in San Francisco.

Mrs. Hattie Kelley and Mrs. Josephine Johnson, two popular members of El Carmelo Parlor No. 181, Native Daughters of the Golden West, of Colma, are delegates to the Native Daughters' convention, which is to be held the coming week at Native Sons' Hall, San Francisco.

A marriage license was issued during the past week to Richard J. Cousins of San Francisco and Miss Adele C. Schenone. Miss Schenone is the only daughter of Mr. and Mrs. Joseph Schenone of the Eleven-Mile House. Mr. Schenone is an old-time resident of Colma, and the many friends of the young couple wish them much happiness.

NATIVE DAUGHTERS HOLD CLASS INITIATION WEDNESDAY

Last Wednesday evening at Eagles' Hall, Daly City, El Carmelo Parlor No. 181, Native Daughters of the Golden West, of Colma held a class initiation. Following the initiation a supper was served, and the evening was pleasantly spent with speech-making and music, which was greatly enjoyed by those participating in the affair. The new members initiated were Mrs. John Callan, Miss Teresa Stampanoni, Miss Anita Armanino, and Miss Angelina Varni, all from Colma.

LADIES' HOME CLUB PARTY DRAWS A LARGE GATHERING

The monthly whist party given Saturday evening at the Henry Ward Brown Memorial building by the Ladies' Home Club of Colma brought a large crowd. There were twenty tables filled with players, and the affair was a financial as well as a social success. There were many beautiful prizes, and the handsome cushion donated by Mrs. James Murray of

the Nine-Mile House was won by George Wright. The prize winners were: Augustine Benassini, first;

Thomas Harrison, second; George Wright, third; Mrs. Ed May, fourth; Mrs. George Wright, fifth; Ed May,

sixth; Benson Goun, seventh, and Miss Alice May, eighth. After the whist, the evening was pleasantly

How We Build The Structure of Good Paint

WE make good paints like this—to save you money; and we've put 72 years' experience into them.

We use pure PIONEER WHITE LEAD, pure linseed oil, zinc and color in scientifically exact proportions.

The lead base is made so fine that it will pass through a silk screen with 40,000 meshes to the square inch. That means covering capacity and ease of spreading.

A special device super-purifies the lead, making it "Whiter" so Fuller paints are exceptionally clear-toned. All ingredients are thoroughly mixed in specially designed machines, so the paint is always uniform and smooth.

The result on the house is a beautiful, elastic, tough, protective coating that stays, if proper-

ly applied, five or more years, keeping the wood like new.

Some people figure paint economy as "cost per gallon." That is wrong. For "cheap" paint doesn't cover so much surface—you buy more gallons. "Cheap" paint is harder to spread and you have more labor cost. So the "cheap" paint on the house costs just as much as the best of paint.

Don't allow surfaces to rot—it costs less to paint them.

"Cheap" paint on the average starts cracking in twelve months, while the best paint stays intact from five to ten times longer, if properly applied. Figure the cost per year of service and decide which paint you want to use.

We spend more to make paints for your economy. Be sure you get them when you paint.

Fuller's SPECIFICATION House Paints

Phoenix Pure Paint Pure Prepared Paint

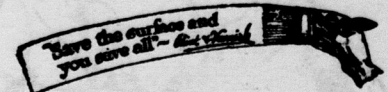

Manufactured by W. P. Fuller & Co.

"Pure Prepared" and "Phoenix" are Fuller's Specifications for house painting. Get either and you have the best that anyone can make—long service paints. WHERE TO BUY

THEM. These paints are important to you, so it's important to go to the right store to get them. Agents' names and addresses are printed in the memo, coupon to the right. Cut it out and put it in your pocket now.

For All Exterior Jobs of Painting, it is Advisable to Secure the Services of a Master Painter

Free Advice on Painting

ASK our agent for our free advice. He will show you a color card which shows 32 shades of this desirable paint.

We have a Fuller Specification Department which will tell you all about the most desirable color schemes, color harmony and those other details you want to know.

Take advantage of Fuller House Paints. Take steps to paint now. Don't let weather depreciate your investment.

Municipal Ownership of Public Utilities

PUBLIC OWNERSHIP of the public service industry is a thing as frequently proposed as means are suggested for communication with Mars. The great fault with the plans suggested and tried is that they never work out quite as their proponents would lead us to expect. The machinery proves inadequate and the costs, however covertly concealed or shifted, ultimately bring about the failure of the enterprise or result in debts that must be paid from other sources of revenue and the one other source of revenue in government is increased taxes.

There is but one sufficient reason that could be offered why government should usurp the functions of private business, and that is when it can give equal service at less cost. Experience has not shown that such a result can be expected. The invariable result of government's entry into business has been an increase in the number of employees and decrease in efficiency; vacillating and uncertain policies under succeeding administrations; waste, extravagance and loss which only government with its taxing possibilities could long survive.

VALLEY FORGE

IN THE picturesque valley of the Schuylkill river, twenty miles north-west of Philadelphia, there is a sacred spot at which every American should give himself the privilege of worshipping sometime during his or her lifetime.

It is the then unattractive site, lined with barren, frozen hillsides, where General George Washington and his little army of about 10,000 half-starved, poorly-clad patriots bivouaced, suffering unthinkable hardship, from December, 1777, to June, 1778, following the tragic battle of the Brandywine and the occupancy of Philadelphia by the British.

This circumstance of history bequeathed to this hallowed place a glory and a fame which will attach to it throughout the ages to come as will the more recent struggle to the region of the Argonne in France.

A tract of about 500 acres has been purchased by the state of Pennsylvania and the government, with patient determination and admirable completeness, is restoring ancient landmarks and transforming this historic camp-site of the Continental army into an everlasting National Shrine.

The Daughters of the American Revolution have erected a noble shaft to the unknown who sleep here and the Valley Forge Museum of American History contains many relics of the day. One fills with emotion as he enters the little cottage where General Washington had his simple headquarters and feels the odor of sanctity as he steps into the Washington Memorial Chapel, sometimes called "The Westminster of America."

Surely Not Then.

I love to hear men singing
While at their work, said Birch.
But suppose one's a mortician,
Or an usher in a church?

Importers,
exporters, travelers—
ship and sail under
the Stars and Stripes

THERE are today few ports in the world of importance to shippers or travelers, which cannot be reached by ships that sail under the Stars and Stripes.

President Harding has said that, "We cannot sell successfully where we do not carry." The American Merchant Marine that once almost vanished is again an established and important carrier of the world's commerce.

You can ship or sail anywhere in American ships designed for utmost comfort and safety.

The Fruits of Winking.

A good story against himself is being told by a Nonconformist divine of the severe old school, who, however, is not without a sense of humor. He was traveling north. Just before he got to York he opened the carriage window, with the result that he got a piece of grit in his eye. He rubbed it and did all the usual things, but it still troubled him, and every now and again he had involuntarily to wink.

When he got to York he went into the buffet and asked for a glass of milk. This being served, he gulped it down, and then, realizing that something was wrong, he said to the barmaid, "That wasn't milk, was it?"

"No, sir; ru mand milk."

"No, sir; rum and milk."

"Yes, sir; but you tipped me the wink."—London Post.

Life More Complex.

An Ohio physician declares that the length of a woman's second toe indicates her disposition, and he warns us against women with long ones. What the dickens! Must the fellow who goes courting carry along an X-ray machine?—Boston Transcript.

None but the Best.

Much perturbed twelve-year-old Rosie rushed into the hospital dispensary bearing on her arm the young hopeful of her family in the form of a two-year-old boy. "I wanta doctor, I wanta doctor," she exclaimed. "Itzy swallowed some ammonia, and my mother wants to know if it'll do him anything." The admitting physician, endeavoring to find out the strength of the liquid supposedly causing the excitement, asked the child what kind it was. Delighted to show the family affluence, Rosie puffed up with pride and announced in her grandest manner, "Oh, doctor, it was the very best kind."—Survey.

SAN BRUNO

HATCH OFFERS SAN BRUNO
FREE USE OF CALIFORNIA HALL

It is reported that President Hatch of the California Bank has agreed to give the city the use of California Hall for a year free, the place to be used as a city hall. It is generally felt that the offer is a generous one, especially in the light of the report that Mr. Hatch will make the city a very attractive figure should it consider purchasing the building.

NEW PRINCIPAL NAMED.

Eugene M. Knight has been within the past few days appointed principal

of the San Bruno schools to fill the vacancy caused by the resignation of C. P. McCuen. Mr. Knight is well known in this county. At one time he was principal of the Hillsborough school, since then he has been engaged in commercial pursuits. He has now decided to take up school work again.

FATHERS' NIGHT AT P. T. A.

A meeting of the Parent-Teacher Association will be held at the Edgemont school tomorrow evening, at which a special program has been arranged. This will be a fathers' night, when it is hoped that all the fathers having children attending the local schools will turn out in force

NOTIZIE DALLA CONTEA IN ITALIANO.

I SUPERVISORS ASCOLTANO IL DIBATTIMENTO PER LA COSTRUZIONE DELL'OSPEDALE

Alla riunione dei supervisors di Lunedì scorso la questione principale fu quella per il proposto nuovo ospedale della contea.

Il prossimo Lunedì e' stato scelto come data nella quale il contratto per la costruzione dell'ospedale sara' data a qualcuno.

Dopo avere ascoltati tutti gli argomenti il presidente Thompson stabilì che per Martedì 14 Giugno sara' preso in considerazione il progetto. Il Giudice E. E. Cunningham di South San Francisco e L. P. Behrens, presidente della First National Bank di Redwood City furono oratori di opposizione, mentre diverse donne rappresentanti i diversi clubs e del servizio sociale della contea urgirono che l'ospedale sia costruito senza ritardo.

Il Giudice Cunningham ed il Signor Behrens basarono la loro opposizione sul fatto che i pagatori di tasse pagano al presente tutto quello che e' nel loro limite e che un piccolo ritardo nella costruzione potrebbe salvare molto danaro nel materiale. Essi inoltre stabilirono che per rifornire l'ospedale del necessario ed il mantenimento di esso non fu ancora stabilito e che pur questo ammonterebbe ad una larga somma di danaro. Sostenitori della proposta, fra questi P. B. Pendleton del Concilio di Carità dello Stato, urgirono che la contea di San Mateo era grandemente in bisogno di migliori comodità per ricoverare i suoi ammalati.

Si crede che vi sara' dell'altro dibattito fra le due fazioni Martedì prossimo.

I TRUSTEES UNITI IN SESSIONE REGOLARE

I trustees di South San Francisco tennero adunanza regolare Lunedì scorso. Un' applicazione per una sala da biliardo e vendita di bibite leggere fu fatta da V. B. Niccoletti di San Francisco con la possibilita' di localizzarsi al 228 Grand avenue.

La questione fu presa in considerazione. La questione per avere una infermiera per la citta' e scuola e' stata abbandonata avendo la Signorina Johnson, la quale richiese tale posizione, trovato altro impiego.

All'ordine della citta' No. 111, che stabilisce la multa che il guarda bestiame puo' collettare da coloro che lasciano i bestiame fuggire libero al largo fu data la seconda lettura.

CHIEDE \$20,000 DI DANNI PER LA MORTE DI WALLACE

La Signora Adeline Leeds, per mezzo del suo avvocato J. J. Bullock, ha mosso causa contro la South San Francisco Railroad and Power Company per \$20,000 di danni per la morte di R. L. Wallace avvenuta in questa citta' per mezzo del tranvia elettrico la sera del 9 Giugno, 1920. La Signora Leeds e' amministratrice della proprieta' dell' Wallace.

LE RATE DEL GAS POTRANNO ESSERE PIU' BASSE

Si considera che le rate del gas del Pacific Gas and Electric Company saranno forse piu' basse quale risultato di una richiesta fatta Martedì davanti alla commissione ferroviaria. L'olio, grande fattore nella maniffatura del gas, e' ora alquanto in ribasso ed il presidente Brundage della commissione suggerì che le rate del gas siano arrangiate in coincidenza al prezzo dell'olio.

La questione di nuove rate e' stata presa in considerazione dalla commissione.

AGRICOLTORE DI COLMA UCCISO DA UNA POMPA IN MOTO

Luigi Baratta, agricoltore di Colma, morì Sabato per ferite riportate quando il suo vestito fu preso dall'ingranaggi di una pompa al quale dava dell'olio, e ferito gravemente.

Condotta all'ospedale di Saint Luke morì dopo poco tempo.

Still the Winner.

The other night a young man was visiting his best girl, and he stayed on and on until she became very sleepy indeed. Also she had to work the next day, and thought it time to give him a hint that it was time for him to go home. Finally she said:

"Don't you think you had better phone for a taxi to go home in? It's so late now, and there have been several robberies out in this part of town after midnight."

The young man was visibly pleased at her suggestion.

"Oh, yes; please do," he returned. "I'm not afraid, but the taxi will take me home so much faster than I can walk that I can stay at least an hour longer."—Indianapolis News.

and show by their presence their interest in the welfare of the schools, teachers and scholars.

NOTICE INVITING SEALED PROPOSALS NO. 40.

Pursuant to the Statute and to the Resolution of the Board of Trustees of the City of South San Francisco, directing this notice, said Board of Trustees hereby invites sealed proposals or bids for doing the following work in said City, to-wit:

That Industrial Way be graded to official line and grade from the northerly line of Swift Avenue to the southerly line of Butler Road, and for the work particularly shown on the plans hereinafter mentioned and referred to, but excepting such portions of said Industrial Way as are required by law to be kept in repair by any person or company having railroad tracks thereon; That a thirty-six (36) inch corrugated, galvanized iron culvert be constructed across Industrial Way at a point 175 feet southwesterly from the intersection of the center line of Industrial Way with the center line of Cedar Avenue, at the particular location shown upon the plans hereinafter mentioned and referred to; That a Thirty-six (36) inch corrugated, galvanized iron culvert be constructed across Industrial Way at a point 400 feet northeasterly from the intersection of the center line of Industrial Way with the center line of Cedar Avenue, at the particular location shown upon the plans hereinafter mentioned and referred to.

All work herein provided for shall be done to official grade and in accordance with the special plans and specifications for said work, which plans and specifications are entitled "Plans and specifications for improvement work on Industrial Way, in the City of South San Francisco, County of San Mateo, State of California, which street is fully described upon the plans hereto attached, which are made a part hereof," which plans and specifications were heretofore adopted by said Board of Trustees on the 2nd day of May, 1921, and are now on file in the office of the City Clerk, and to which plans and specifications reference is hereby made for a further description of said work, and for the location and extent of the work to be done hereunder and for a particular description of the boundaries of the district herein mentioned. All such work to include any and all street intersections and street terminations, opposite terminations of, in and to said street and those to the respective lands and districts, as is shown upon said plans. Any duplication in any of the work hereinbefore described shall be ignored. There is excepted, however, from the above mentioned work, any and all such work as has been done to official grade.

And said Board of Trustees did, in said Resolution of Intention No. 40, terminate and declare that said proposed work and improvement is of more than local or ordinary public benefit, and will affect the lands and district hereinbefore described, which said district is declared, in said Resolution of Intention, to be the district benefited by said work and improvement, and that therefore the entire costs and expenses of said work and improvement shall be made chargeable against and shall be assessed upon said lands and district, except as herein expressly provided, which district is within said City of South San Francisco, County of San Mateo, State of California, and particularly bounded and described as follows, to-wit:

Beginning on the northerly line of Swift Avenue at a point where said line is intersected by a line which is parallel with and distant westerly 50 feet at right angles from the center line of the Southern Pacific Railroad Company's Bay Shore Branch; running thence northeasterly, parallel with and keeping a distance of 50 feet westerly at right angles from the center line of the northerly line of Cedar Avenue; thence westerly along the said northerly line of Cedar Avenue 25.92 feet to the westerly line of the Southern Pacific Railroad Company's Bay Shore Branch; thence northeasterly following along the courses of the said westerly line of the Southern Pacific Railroad Company's Bay Shore Branch to a point where the northeasterly line of the Schaw-Batcher Company's 4.052 Acre Tract, if extended northwesterly, would intersect said westerly right of way line; thence southeasterly along the said northwesterly prolongation and continuing along the northeasterly line of said Schaw-Batcher Tract to the most easterly corner thereof; thence North 58 degrees 52 minutes 26 seconds East 1627.19 feet; thence South 6 degrees 02 minutes 42 seconds East 146.8 feet; thence South 13 degrees 19 minutes 40 seconds East 160.1 feet; thence South 53 degrees 01 minute 20 seconds West 110.9 feet; thence South 00 degrees 41 minutes 20 seconds West 156.00 feet; thence South 15 degrees 23 minutes 40 seconds East 73 feet; thence South 51 degrees 45 minutes 20 seconds West 437.0 feet; thence South 35 degrees 47 minutes 40 seconds East 553.95 feet; thence West 29 degrees 48 minutes 30 seconds North 3 degrees 48 minutes 30 seconds West 16.5 feet; thence South 86 degrees 13 minutes 20 seconds West 763.83 feet to the southeast corner of the Erickson and Peterson 1.72 Acre Tract; thence southwesterly in a straight line to the northeasterly corner of the Pacific Coast Steel Company's 14.75 Acre Tract; thence South 60 degrees 58 minutes 40 seconds West 242.2 feet; thence South 37 degrees 32 minutes 40 seconds West 141.47 feet; thence South 14 degrees 44 minutes 30 seconds West 65.0 feet; thence South 00 degrees 14 minutes 20 seconds East 1038.11 feet to the northerly line of Swift Avenue; thence westerly along the said northerly line of Swift Avenue to the point of beginning. Saving, excepting and excluding from said district all public streets, avenues, alleys, lanes, courts and places included and contained.

All of the herein proposed work shall be done in pursuance of an act of the Legislature of the State of California, designated as "The Improvement Act of 1911," approved April 7, 1911, and amendments thereto.

Reference is hereby made to Resolution of Intention No. 40, for further particulars, which Resolution of Intention is on file in the office of the City Clerk.

All proposals or bids shall be accompanied by a check payable to the City of South San Francisco certified by responsible bank for an amount which shall not be less than ten (10) per cent of the aggregate of the proposed payable, signed by the bidder and two sureties who shall justify before any officer competent to administer an oath in double the said amount over and above all statutory exemptions.

Said sealed proposals or bids shall be delivered to the City Clerk at said City on or before eight o'clock p. m. of Tuesday, the 21st day of June, 1921, said time being not less than ten (10) days from the first publication and posting of this notice.

Dated June 8, 1921.

6-10-21 DANIEL McSWEENEY,
City Clerk.

Furs Made to Order and Remodeled Reasonable

Warm weather is just around the corner, and you will, no doubt, be thinking of some place to not only store your furs and keep them away from the moths, but also what should be done with them before putting them away for the summer. You perhaps do not know that the furs which you have been wearing should be thoroughly cleaned and glazed and all of those fine hairs should be smoothed out, so that the skin of the fur will be preserved and will not need repairing next fall.

By leaving your furs with us now we can re-style them, giving you 1921-1922 models and at the LOW Summer Prices, thus avoid the rush season. Your furs, of course, will be ready for you when you want them, while in the fall you may have to wait two or three weeks when you need them most.

Remember our shop is limited in capacity, so we urge you to bring your furs in as soon as possible. This will insure you to free Fur Storage.

SAN FRANCISCO

LOCAL HAPPENINGS IN SOUTH SAN FRANCISCO

Dr. J. C. McGovern and son, Alpheus, spent last week-end at Santa Cruz.

James Kay returned Monday from Quincy, Calif., where he spent several weeks.

Mrs. J. G. French of Santa Clara spent Thursday with her sister, Mrs. A. P. Scott.

Mr. and Mrs. Charles Ulmer motored to Stockton, where they spent last week-end.

Mrs. M. R. Clifford returned Monday from Fresno, where she spent three weeks visiting with relatives.

Mr. and Mrs. Martin Hyland and sons of Berkeley spent Sunday at the home of Mr. and Mrs. William Hyland Sr.

Miss Ruth Snyder, who has been attending Miss Burke's school in San Francisco, is home for summer vacation.

The Rev. E. H. Molony returned late last week, tanned and vigorous, from a ten-days' camping and fishing trip in the mountains.

Mr. and Mrs. R. Larsen are planning to leave Saturday for a six weeks' trip to Victoria, B. C. They will visit at a number of towns en route.

Mrs. E. C. Peck and son Jack, and her sister Mrs. J. Terrace, and daughter Janet, left the first of the week for Boulder Creek, where they will spend the summer.

Mary and Sheila Molony, daughters of Rev. and Mrs. E. H. Molony, arrived Tuesday to spend the summer school vacation with their parents. They have been attending the Castilleja school in Palo Alto.

Carl Blank returned Monday from Hamilton, Ontario, where he appeared as delegate from Panama-Pacific local of this city to the international convention of iron and steel workers. Mr. Blank was gone about six weeks.

Mrs. Blanche Carleton and two daughters, Ruth and Dorothy Carleton, arrived Monday in this city from Great Bend, Kans. Mrs. Carleton is a sister of F. A. Cunningham. With her daughters, Mrs. Carleton expects to make her home in this region.

Mrs. E. H. Molony and Mrs. J. G. Walker attended the reception and lunch held at the Fairmont Hotel Tuesday for the president of the National Federation of Woman's Clubs. Mrs. Molony and Mrs. Walker went as delegates from the local Woman's Club. They report a large gathering and a most enjoyable function.

FULLER EMPLOYEES HOLD TENTH ANNUAL PICNIC

The employees of the W. P. Fuller Company held their tenth annual picnic Sunday, the place selected being Pinehurst on the San Francisco and Sacramento Railroad. About 450 employees were present, coming from the local plant and from the San Francisco and Oakland offices. A picnic dinner was held, after which dancing and games were enjoyed during the afternoon.

RANCHER FATALLY INJURED WHEN CAUGHT BY PUMP SHAFT

Luis Bavatta, a Colma rancher, is dead as a result of injuries received Saturday while oiling a pump on his ranch. The unfortunate man's clothing became entangled in the rapidly revolving pump shaft, and before assistance reached him Bavatta was so badly injured that he died at St. Luke's Hospital soon afterward. Bavatta was well known in the north end of the county, having lived in this region for many years.

Knew What He Was Doing.
Photoplay Writer—But look here! This character is supposed to be a very homely man, and you have cast for that part the handsomest man in your company.
Director—Oh, he'll be homely

enough when the cameraman and the developer get through with him. You see, he's engaged to the star, and both those boys are in love with her.—Film Fun.
Help your home town.
